

The Millennial Pledge

“At the dawn of a new Millennium there has been born a generation through whom God is moving...”

My Lord

Because God created me uniquely and wonderfully for His purposes, which He prepared for me before I was born; and because Jesus Christ is my personal Savior and Lord; and because Christ has called me to live for His eternal purposes rather than for temporal gains, it is my commitment to go anywhere and do anything that my Lord directs me to do. To Him be the glory!

My Mission

And, because God has called me to be His ambassador; and because all people are lost apart from Christ; and because Jesus commands us to take the Good News of His life, death, and resurrection to all creation; and because the primary hindrance to fulfilling Christ's Great Commission is a lack of laborers, it is my pledge, the Lord willing, to give at least a year of my life in full-time service to further the work of the Gospel in my generation, in the new millennium.
